

Create A Legacy That Lasts

After you have considered your family and your children, would you consider leaving a gift to Big Brothers Big Sisters of Central Arizona in your estate planning?

As one of the country's most effective mentoring programs helping young people change their lives for the better, Big Brothers Big Sisters has been serving youth in the Valley for sixty years. A gift that transforms our organization or one of our mentoring programs is a wonderful way to ensure that we continue offering hope for a better life to children facing adversity. A charitable bequest is an excellent way to create a lasting legacy in our community.

Your gift may be in the form of cash, securities, real estate, or other property. You may designate that Big Brothers Big Sisters of Central Arizona is to receive a stated amount or percentage of your estate, particular assets, or the remainder of your estate after providing for your heirs. You may also add Big Brothers Big Sisters of Central Arizona as the beneficiary on your 401K, IRA, and life insurance policies.
