Mentor a Child During Your Lunch Break

Meet with your Little Brother or Little Sister once a week to hang out, play games and talk.

Lowell Elementary School
1211 S. 3rd Ave., Phoenix, AZ 85003
Tuesdays during Lunch 11:30 am to 1:00 pm

Big Brothers Big Sisters provides Arizona youth facing adversity with strong and enduring, professionally supported, one-to-one relationships that change their lives for the better.

Who are the Littles?
The youth in our program come from a variety of backgrounds and experiences, though the majority come from low-income, single parent families or have a parent in prison.

What do Site-Based Matches Do?
You and your Little will participate in structured activities that focus on academic, sports and social activities that help the child build self-confidence and take steps on the path to success.

How Will One Hour a Week Make a Difference?
School-based mentoring is not a tutoring program. However, research has shown that of all children matched with a Big in school:

- **58%** improved their school performance
- **65%** showed higher levels of self-confidence
- **55%** had a better attitude toward school

By being a mentor, you can increase a child’s self-confidence & attention to schoolwork.
