Mentor a Child During Your Lunch Break

Meet with your Little Brother or Little Sister once a week to hang out, play games and talk.

Scales Technology Academy
1115 W. 5th Street Tempe, AZ 85281
Meets on Tuesdays during Lunch

Big Brothers Big Sisters provides Arizona youth facing adversity with strong and enduring, professionally supported, one-to-one relationships that change their lives for the better.

Who are the Littles?
The youth in our program come from a variety of backgrounds and experiences, though the majority come from low-income, single parent families or have a parent in prison.

What do Site-Based Matches Do?
You and your Little will participate in structured activities that focus on academic, sports and social activities that help the child build self-confidence and take steps on the path to success.

How Will One Hour a Week Make a Difference?
School-based mentoring is not a tutoring program. However, research has shown that of all children matched with a Big in school:

- 58% improved their school performance
- 65% showed higher levels of self-confidence
- 55% had a better attitude toward school

By being a mentor, you can increase a child’s self-confidence & attention to schoolwork.

Learn how you can get involved & help to change a life today!
