

# Big Night Out In the Wild

## **Safety Considerations**

BBBSAZ and the JW Marriott Camelback Inn are working closely together to ensure that all attendees can enjoy a fun and safe evening.

With that in mind, the following safety guidelines have been put in place:

- The event will take place on an outdoor patio with virtual viewing opportunities available for those who prefer not to attend in-person
- The layout of the event has been modified to allow for comfortable social distancing
- All attendees will be asked to wear a face mask throughout the event except when seated at their table, eating, or drinking
- Attendees that are feeling ill or have been potentially exposed to COVID-19 are asked to stay home and participate in the virtual aspects of the event

Additional steps by the hotel have been taken to align with guidance provided by the CDC.
